YOUR JOURNEY TO TYAX

Road 40, parts of it also known as Lillooet Pioneer Road and Carpenter Lake Road is a maintained Provincial Highway, however it important to note the following:

- It takes on average 1 h & 45min to reach the lodge once you leave Lillooet, following Road 40 until Tyaughton Lake Road.
- There are unpaved and narrow sections along the entire stretch.
- There is no cell reception once you pass the town of Lillooet.
- There is no gas stations between Lillooet and Gold Bridge. Ensure to fill up.
- Please be cautious of sharp corners and rocks on the road.
- This road is maintained on daily basis for grating, rock removal during the summer, and for snow maintenance during the winter.
- Please drive with caution & care.
- Prior to your journey, visit drivebc.ca to check on the status of Road 40.
