#### ABOUT TYAX LODGE & HELISKIING

Tyax Lodge is a remote full-service wilderness lodge, located in the beautiful South Chilcotin mountains of BC, a 5-6 hour drive north of Vancouver. We operate from January to April for heliskiing adventures exclusively, and from May to October we host mountain biking enthusiasts, nature lovers, weddings and other events.

#### THE AREA

The Bridge River Valley is popular amongst nature and adventure lovers. The nearby towns of Gold Bridge and Bralorne have populations of just a few hundred people, but back in the 1800's the valley was very popular for gold mining, leaving the area with endless wilderness systems of hiking and biking trails, and many lakes to explore.

#### OUR CULTURE

*Connection* - to our team, guests and the community

*Joy* - we love what we do and where we get to play

*Discovery* - we explore some of BC's most unique mountain ranges

*Revitalization* - our tranquil settings are perfect for relaxation and reflection

*Excellence* - in every detail of safety & hospitality

#### STAFF ACCOMMODATION

We are very proud to offer our team a newly build staff accommodation featuring townhouse-style living. Each unit has plenty of space to relax in the main living/dining room featuring a full sized fully stocked kitchen, a balcony with mountain and lake views, and a laundry room in each unit. Rooms are shared with two employees per room or single, so no uncomfortable dorms.

#### ON LIFESTYLE

Finding a healthy work-life balance is important to us. We are a team of like-minded individuals who enjoy the remoteness and wilderness. We have a passion for the hospitality and adventure industry, and for the great outdoors. We spend our time exploring the mountains, enjoying the freshness of Tyaughton lake, and we share our passions with our guests.

#### *HOW TO GET HERE*

Getting here is part of the adventure! Our valley is accessible by road year round via Whistler and Lillooet, and via the Hurley Forest Service Road during summer months. Road 40 between Lillooet and our lodge is partly paved, partially graveled. The journey takes about 3-4 hours from whistler, with many opportunities to stop along the way to take pictures and rest.
